The Area 21 contributions address has changed. See the new address at the bottom of this page and let other groups know about the change.

We are still looking for a DCM. If you are interested, please come to the meeting to learn more about the position. If you know someone who would be good at this position, recommend it to them and have them attend the meeting. Past servants can help new people learn the responsibilities of the positions.

We would like GSR's/representatives of the meetings to share information about their groups, attendance numbers, coming events (bring a flier), good things happening in your groups. Also, any improvements wanted, problems with or suggestions for the District board.

Any questions or concerns, please contact District Alternate DCM, Leo O. at (618) 493-6467 or bygrace1224@yahoo.com.
